

Independent Estate Agents Since 1990

## Welcome to Eckersley White Sales & Letting Agents

Eckersley White was established in 1990 and with Estate Agents offices in Gosport and Lee-on-the-Solent we have become the first choice for many local home owners.

By combining the benefits of independent estate agency with extensive local knowledge and experienced staff our separate sales and lettings departments have become established in Gosport, Lee-on-the-Solent, Alverstoke, Stubbington and Hill Head. Whether you are buying, selling or letting your property, contact Eckersley White and you will find a very focused and enthusiastic team.

### Manager, Jonathan Bowers

*"I have been with Eckersley White since 2003 and in the industry since 1990. During that time I have worked for both corporate and independent companies, the latter being my preference. Independent agents are able to devote more time to the process of finding a suitable buyer and providing a much better quality of service.*

*Eckersley White have been based in Lee-On-The-Solent since 1990 and bring a wealth of experience to the marketing of the homes on our portfolio. We offer free, independent advice and are happy to discuss your needs regardless of what stage you are at with your sale or purchase. My team are happy to help and ready to take your call.*

*If you need to find a property or you have your eye on a particular home through Eckersley White or another agent, we can give you expert advice on the best way forward."*
