The shower room has been fitted with a new shower cubicle and also has an 'antique style' high level w.c. and a wash basin.

Off the first floor landing, to the rear a door opens into a small cloakroom which also accommodates the 'Valliant' gas fired combi central heating boiler. There are two bedrooms on this floor, the beautiful main bedroom is to the front, and a generous size with a large built-in cupboard and a further cupboard. A single bedroom overlooks the rear garden. A door off the landing accesses a second staircase, leading up to the attic bedroom. This is a good space with sloping ceilings and a window to the side.
