

The Sorting Office, Mirable Street, Manchester - Asking Price Of £260,000

Julie Twist Properties welcomes to the market this large, beautifully modern, two bedroom duplex apartment in the Grade II listed Sorting Office Development positioned on the first floor, which also comes with an underground parking space in the city centre.

This property is a rare find; radiating character throughout with double height ceilings, exposed brickwork and exposed steel beams. It is in excellent condition and feels homely due to it being a duplex apartment.

The ground floor consists of an entrance hallway with large WC and under stairs storage. There is a large open plan living room, dining and lounging area which feels especially bright with huge original sash windows overlooking the River Irwell, as well as an open plan kitchen with modern appliances including a dishwasher and washing machine/dryer. Upstairs on the upper level there are two bedrooms of decent size, both of which have the benefit of an ensuite bathroom which offer showers and a bath.

The Sorting Office is a striking Grade II listed building which was sympathetically restored from originally being Manchester's Royal Mail Sorting Office. The building has a secure gated entrance and a 24 hour concierge based in the building next door. The Sorting Office is just a stone's throw away from Victoria Train Station and only a few minutes walk from Market Street, Deansgate and shops such as Harvey Nichols and Selfridges. The Sorting Office location has the perfect blend of being on a quiet street but with a multitude of options for restaurants, cafes, bars, cinema, shops and public transport links, all within an easy and short walking distance.
