We are delighted to bring to the market this rarely available three-bed apartment, set in a charming Late Victorian red-sandstone building, in the eternally popular area of Dennistoun, Glasgow. This beautiful third-floor apartment is a real triumph of exquisite character, blending timeless charm seamlessly with spacious, stylish and contemporary accommodation, to offer a quite fantastic home to live in. The apartment has recently undergone an extensive full refurbishment with over £100k spent, culminating in an incredibly stylish and comfortable home to live in.

THE ENTRANCE HALL

The original ornate features of the Close have been lovingly preserved and are a timeless reminder of when properties were built to a grand style and standard of excellence, seldom seen today. Inside the home, the original features are no less impressive. A grand reception hallway with original features intact, hints at the impeccable accommodation to come.

The wonderfully spacious lounge benefits from an abundance of natural light streaming in from the exquisitely panelled bay window. Due to the room's shape and size, it's evident that it would suit a range of furniture configurations. Tall ceilings, deep skirtings and exquisite plasterwork are all preserved, along with a beautiful feature fireplace which helps to create a very relaxing and enjoyable space.

THE KITCHEN/DINER

The large kitchen/diner is perfect for the apartment, finished in a stunning range of fitted units, with an electric oven, hob and integrated fridge freezer, washer dryer and dishwasher. Extra storage space is provided, with a double door crockery cupboard and an innovative and utterly unique roller door cupboard, which matches the beautiful units. The space easily affords plenty of room for the dining table within the recess, additional occasional furniture and of course, the obligatory and utterly practical clothes drying pulley, a much-loved Glasgow staple item.

There are three good-sized double bedrooms, all are bright and spacious with ample room for freestanding furniture. The master bedroom benefits from a stunning en-suite, including a mains-fed quadrant shower enclosure, with a back-to-the-wall toilet and sink. The bathroom is bright and fresh, finished in a white suite, with an electric shower over the bath and a contemporary back-to-the-wall sink and toilet unit.
