

Built in 2003 in a traditional style sympathetic to its surroundings and enjoying an enviable position overlooking the Green with far reaching views, this superb four-bedroom terraced home offers generous family accommodation and all the benefits of village life.

With brick and flint elevations, on approach, there is a gateway to a small front garden and front door. The property is modern, bright and spacious throughout, with a large, welcoming entrance hall way with under-stair wc. There are three reception rooms on the ground floor. The front reception room would make a terrific study or playroom, with a front aspect looking out to the village green.

The largest of the reception rooms features an electric fireplace, with french doors to the rear garden. With a southerly aspect, the room is bright and offers an excellent space for hosting guests or relaxing.

A fantastic kitchen/diner arrangement is of particular note, offering a dual aspect, the space is flooded with natural light. The kitchen has a four-ring hob, with high-quality, polished work surfaces and integrated units and views to the green to the front of the property. The dining area is bright with ample space for a large table as well as a seating area. There are large windows and a door to the south-facing rear garden. Within this space is a further room that was originally a utility area, that has been converted into a downstairs wet room and could easily be repurposed as such.

Upstairs, there is a spacious landing and four double bedrooms. The master bedroom has a front aspect with

views of the Green and Meon Valley. There are built in wardrobes and a modern en-suite shower room with a double shower cubicle. All three further bedrooms are bright, spacious double bedrooms with built-in wardrobes, enjoying a wonderful aspect from either side of the property.

The family bathroom is modern and well appointed, with a bath with double shower overhead. Both upstairs bathrooms benefit from underfloor heating.

To the rear of the property, there is a lovely, south-facing garden with mature borders featuring a wide range of in-set specimen plants, trees, shrubs and bushes. The centre of the garden has an area that is laid to lawn, surrounded by a patio, offering space for a seating area and walkway to the garage, car-port and parking area.

The single garage can be accessed from the rear garden and sits adjacent to a single car-port. There is also visitor parking which is shared with other residents of The Green.

The Green development is situated just behind the village green on the south western edge of East Meon within easy access of the amenities which include a historic church, two pubs, a shop, village school, tennis court, cricket/recreation ground and sport clubs. There is an active community and plenty of local footpaths and the South Downs Way for those who enjoy walking, cycling or simply being outside in the country. The popular market town of Petersfield with its extensive amenities is just over 5 miles away. It has a mainline station with services to London Waterloo (in approx. one hour) and access to the A3, providing good regional links to Guildford and the South Coast. There are

private schooling choices with Bedales, Churcher's College, Highfield and Ditcham Park schools all within range.

There is a management Company known as The Meadows. The charge for all exterior and common areas amounts to approx. £500 per annum

Council tax - Band F - £3068 P/A

Mains electric, water and drainage. X2 Electric boilers supply hot water and wall mounted radiator heating.
