It is only a short walk to the beach and views of the famous St Michael's Mount which contributes to making them ideal properties for families.

Road links via the A30 and rail links to Paddington together with flights to the Isles of Scilly from Penzance and to London from Newquay all add to the positive reasons for choosing to move to Penzance.

The two properties are at the end of a traditional terrace that joins Morrab Road. Each property has private parking for up to three cars and are offered as freehold.

Both of the properties have granite-finished steps that lead to the traditional front door and the roof has been totally replaced to complete the "executive" appearance.

Internally the properties offer spacious accommodation arranged over four levels. There are granite finishes to be seen in the alcoves and window sills throughout the properties and all of the kitchen and utility appliances are of the top-quality Miele brand. These include, Induction Hob, Pyrolytic oven, microwave oven, integrated fridge freezer, integrated dishwasher and a free standing washer/dryer.

The gas central heating boilers are of the highest quality and are supplied by the no 1 company recommended by Which - Worcester who give an extremely generous after-sales guarantee.
