The double reception room has large windows to the front bay and a feature limestone fireplace (with gas inset) and oak flooring throughout, the current vendors created a downstairs wc and separate coats cupboard, the large kitchen/dining room has a vast selection of bespoke wall & base units with some built-in Neff appliances, there is ample space for a six seater dining table, bi-fold doors give access to the rear garden. There is access from the hallway to the storage cellar.

On the first floor landing is a double bedroom (currently a study) with views over the garden, and a utility room. On the main first floor is the principal bedroom with large sash windows to front, a beautiful original fireplace, and door to an en-suite dressing room and shower room. On the second half landing is a double bedroom and family bathroom, and on the top floor two further bedrooms and a further bathroom.

The rear garden, which is not overlooked, has a patio area directly outside the dining area then steps lead up to a higher tier with mature shrubs and trees. There is also a good sized storage shed.
