

THE GREEN

AT HAYES BR2

THE GREEN

AT HAYES BR2

A STUNNING COLLECTION OF 2, 3 AND 4 BEDROOM HOUSES
IN HAYES, BROMLEY, JUST 35 MINUTES FROM CENTRAL LONDON

INDIVIDUALLY CRAFTED

Welcome to The Green,
a stylish development of
2, 3 and 4 bedroom homes in
picturesque Hayes.

This beautiful collection of homes is situated in a peaceful residential area looking across a green, from which the development takes its name.

The Green is within easy reach of Hayes town centre and train station, as well as the abundance of surrounding parkland and green open spaces for which the area is renowned.

The 22 semi-detached homes available for private sale are spacious and contemporary, all benefitting from private gardens and off-street parking.

A PERFECT BALANCE BETWEEN TOWN AND COUNTRY

Nestled between West Wickham and bustling Bromley, and on the edge of open countryside, Hayes enjoys a peaceful village atmosphere with a strong sense of community.

Over time two distinct areas have emerged in Hayes: The Village, often referred to as 'Old Hayes', and the more recent residential area, which together create the perfect balance between town and country.

With a rich past, 'Old Hayes' is home to the 800 year old Church of St Mary and the Grade II Listed Old Rectory, which is now a village library. Over the years, many influential figures in society have chosen to make Hayes their home, including William Pitt, Britain's youngest ever Prime Minister, and Charles Darwin.

The Green is well placed within Hayes, with a range of shops and amenities in close proximity. Just steps away, convenience shopping is located directly to the rear of The Green. Nearby Hayes Street offers a selection of shops and cafés, including a Farm Shop selling local produce and hosting a fortnightly boot fair. Station Approach, a ten

minute walk away, comprises the town's main shopping parade with a variety of independent shops and high street brands, including a Sainsbury's Local and Costa Coffee as well as independent traders like The Crown Roast butchers, Sponge Kitchens bakery and florist Elliza Wade. Also on Station Approach is Hayes Station, which offers convenient links to Central London stations in about 35 minutes.

Hayes also boasts a variety of excellent venues in which to eat and drink; The New Inn is a modern bar-restaurant featuring regular live entertainment, whilst The George offers a more traditional country-style pub atmosphere. For a special occasion, Michelin starred Chapter One, regarded as one of the finest restaurants in Kent, is less than 10 minutes' drive.

GREEN SPACES

Bromley is one of the most rural London boroughs.

Within just a few minutes' walk is Pickhurst Green and Recreation Ground, whilst nearby Hayes Common offers 195 acres of semi-wild parkland to explore.

Also within Hayes, Husseywell Park and The Knoll are popular destinations for enjoying the outdoors. Originally part of the grounds of a large house in Hayes Place dating back to the 18th Century, these ornamental grounds, with lakes and specimen trees, remain prized assets for the local community.

On the edge of Hayes Common lies the stunning Keston Pond and Keston Common, which includes a windmill built in 1716.

STAY CONNECTED

Hayes is extraordinarily well connected via all means of transport.

Sitting just off the A232, Hayes is five minutes' drive south from the centre of Bromley and three minutes from the town of West Wickham.

The Green is ideally situated for commuting into and around London. Hayes railway station offers direct trains to London Bridge, Cannon Street or Charing Cross in less than 40 minutes. Trains also stop at Lewisham, where there is a connection to the Docklands Light Railway. Current proposals to extend the Bakerloo line would see a new station at Hayes within a few years, connecting directly to the London Underground network.

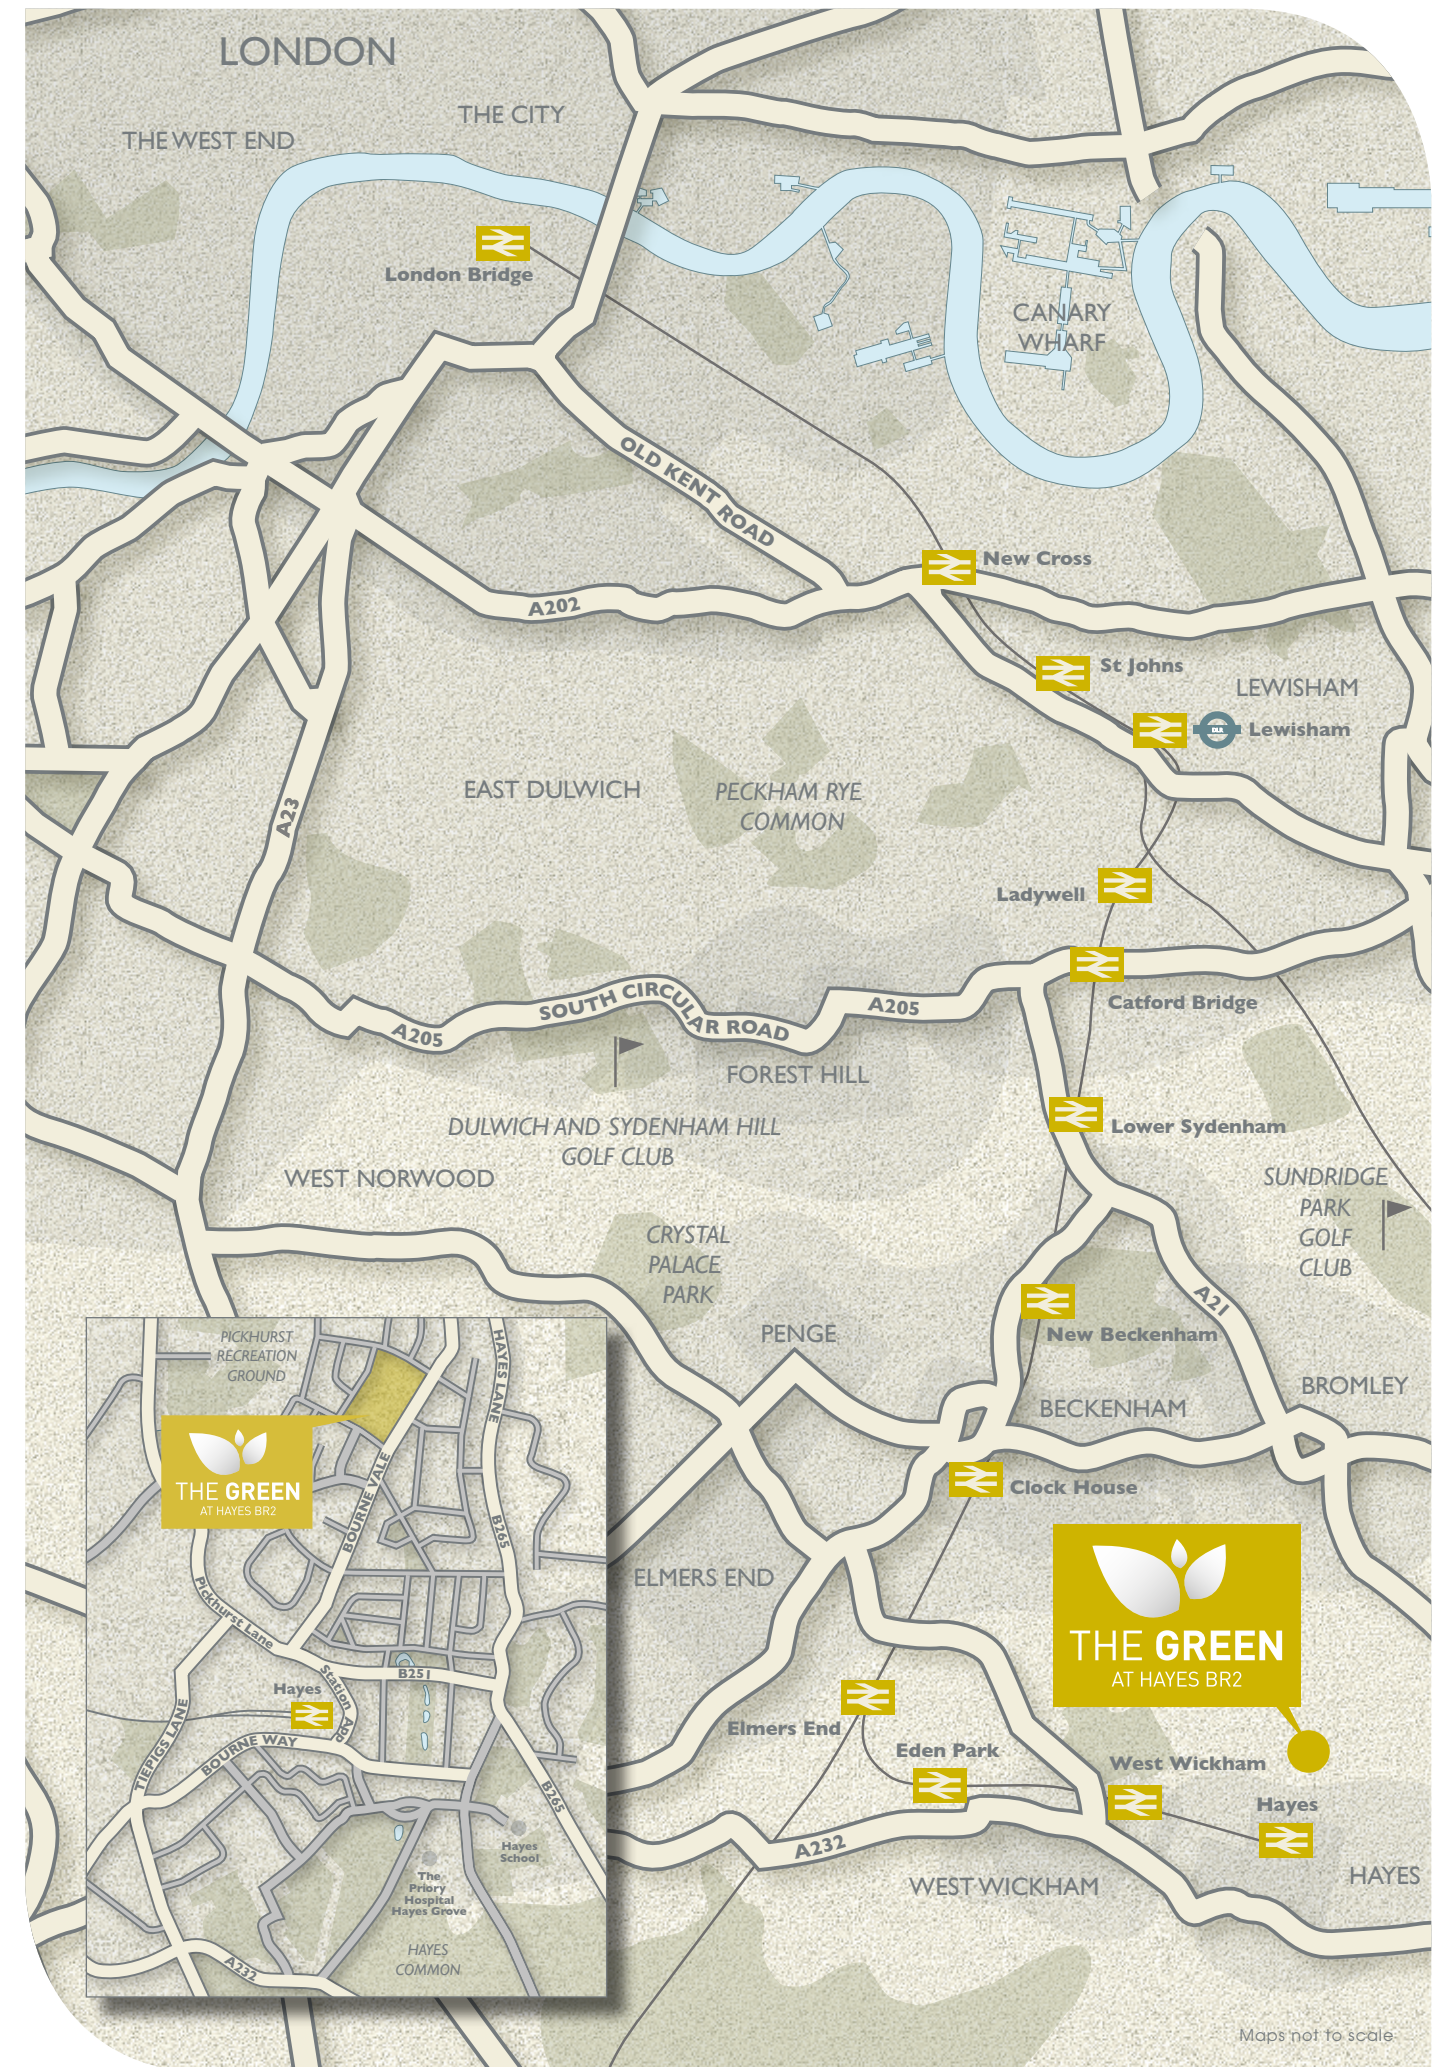

Hayes is also well served for buses, with routes to Bromley, Westerham, Chartwell and many other

destinations. Buses stop directly outside The Green, on Bourne Vale, providing easy access to the rail station.

A London Cycle Network route also runs past Hayes, linking to West Wickham train station to the west and Bromley Common to the east.

Heathrow, Gatwick and London City airports can all be reached in approximately an hour by car, and The Port of Dover is just 45 minutes away, offering quick ferry links to France.

The Ravensbourne School

A BRIGHT FUTURE

The strong family atmosphere found in Hayes is in part due to the wide array of excellent schools and academies in the area.

Pickhurst Junior and Infant Academy, ranked Outstanding by Ofsted, is one of many educational options available for younger family members. Hayes School, a mixed secondary school with academy status, is also rated Outstanding and has produced some of the highest GCSE and A Level results in

the borough. Nearby, Orpington's selective state secondary schools Newstead Wood School for girls and St Olave's Grammar School for boys are regularly classed amongst the 20 best schools in the country.

**Proximity to schools does not guarantee a place at your preferred school. Please check with the local authority or school for specific details.*

DESIGNED AROUND YOU

With a variety of sizes and layouts from 2 bedrooms to 4 bedrooms, there is a home at The Green to suit everyone.

Each house is set across two storeys and benefits from private outside space and off-street parking. Cycle parking spaces have also been provided for each home.

The 22 semi-detached houses are situated in a peaceful, residential area of Hayes. Many face out over the open green along Bourne Vale, which, along with mature trees on Farleigh Avenue, provides an attractive green backdrop. Homes are set back from the road and most also feature a private front garden.

Traditional materials have been used in construction; all carefully selected to reflect the architecture of the surrounding area.

Designed with security and sustainability in mind, the houses have Secured by Design accreditation and meet the Code for Sustainable Homes Level 4, delivering reduced energy bills whilst being kinder to the environment.

STYLE & SPACE

The Green at Hayes features contemporary interiors for modern family life.

Each home has been carefully designed to be both practical and stylish. Large, open-plan kitchens and dining rooms are complemented by separate, spacious living areas. Rooms have been neutrally decorated, allowing you to make your home your own.

All homes share a high standard of finish and quality specification. Individually designed kitchens feature integrated Bosch appliances, whilst Villeroy & Boch bathrooms are equipped with Hansgrohe taps and showers. All master bedrooms benefit from an en-suite bathroom, and there is ample storage space, with fitted wardrobes to both the master and second bedrooms. Washer/dryers are provided in a separate cupboard away from the living area.

Downstairs, double doors open onto a private rear garden. The patio area provides the perfect location for a leisurely evening meal, whilst children can play on the lawn. Each house also has a rear garden gate for easy access.
