Our View

A great location to bring up the family. That was one of the reasons the current owner bought the home. Another being the great value for money. This is an excellent family home which demands an internal inspection.

Location

The village of grain is found at the point of the Peninsula where the Thames and the Medway meet. The village provides a Primary School, local shops and commuter coach service to and from London. The near by village of Hoo provides further facilities and there are links to the A2 and M2 motorways.
