Sudbury is a thriving market town surrounded in part by open farmland and countryside including the famous Water Meadows. The town has a wealth of amenities and facilities including a railway link to London Liverpool Street. There is an excellent range of shops to cater for most everyday needs as well as a choice of pubs, restaurants, recreational and educational facilities. The nearby market towns of Colchester (15 miles) and Bury St Edmunds (18 miles) offer extensive amenities, the former providing a mainline station to London Liverpool Street, serving the commuter.

This Victorian Villa is located in one of the most popular parts of this well-regarded market town. The property enjoys an elevated position with meadow/countryside views and is ideally placed for countryside walks in one direction and the town centre amenities in the other. The property retains many of the original features (sash windows, high ceilings, fireplaces, etc) and is further complemented by off-road parking and a charming garden.

An elegant Victorian town house with off-road parking and garden.
