SALES | LETTINGS | INVESTMENTS

This well designed modern studio offers a spacious open plan layout with distinct, separate areas, creating a comfortable and airy living environment. Finished to a high standard throughout, the property includes a stylish bathroom with a double shower. Situated in the highly desirable Element - The Quarter development, known for its strong rental demand, this property offers luxury co-living eco apartments. It would make an excellent addition to any buy to let portfolio.

The development offers exceptional facilities, including a 24-hour concierge, a games room, a fully equipped gym, and a dedicated space for working from home or studying. Additional amenities include a laundry room and to complete the experience, a communal rooftop space offering stunning 360 degree views of the city.

This apartment truly offers a blend of luxury, convenience, and modern living.

Lease term: 250 years from and including 1st January 2022
