The Property

Quietly situated just a few moment's walk from Broadstone high street, here is a most rare and exciting opportunity to acquire a spacious, three bedroom ground floor apartment with outdoor space amongst beautifully maintained gardens.

Upon entering the building via secure entry phone, there is a communal hallway which continues to the inner hallway from where a door leads into Apartment 2. The hallway serves all principal rooms and the excellent lounge/dining room overlooks the communal gardens and has the benefit of French doors leading out to a covered terrace with southerly aspect. The well appointed kitchen/breakfast room

has granite worksurfaces and integrated Neff appliances. Once again, double glazed French doors lead out to a covered terrace which overlooks the beautiful gardens.

All three double bedrooms have the benefit of built in wardrobes, whilst the master bedroom enjoys an en-suite shower room, whilst from the hallway, one will find a further shower room. The gas boiler can be found in a cupboard within the hallway. There is one allocated parking space together with visitor parking. The property is held on a 999 year lease from 2007. The maintenance charge is approx. £2000 p.a. and the ground rent is £175 p.a.

All rooms have been measured with an electronic laser and are approximate measurements only.
