A window overlooks the side garden and a door opens into the snug with stairs rising to the first floor. The sitting room overlooks the front gardens with a brick fireplace housing the wood burning stove creating a cosy focal point to the room. Stepping back through the snug we find a feature fireplace and a handy cupboard below the stairs rising to the first floor. This room flows open-plan into the dining room perfect for family living and entertaining alike. The dining room enjoys a window looking to the rear and door into the rear lobby/utility room where we find the separate cloakroom.

The well appointed family bathroom echoes the standard found throughout the home and comprises panelled bath, corner shower cubicle and WC and wash basin set in a vanity unit.
