

HOUSE AND SON

We are delighted to have received instructions to market this stunning 3-4 bedroom detached family home, located in the popular Moordown area. The property was comprehensively renovated some 3 years ago, has been improved by its current owners and now provides contemporary living. The heart of the home is the open planned living area to the rear, which measures 19' 4" x 11' 11", and has direct access onto the south facing garden via the bi-fold doors, which extend the width of the room. The kitchen area features a range of base and wall mounted units, integrated appliances and an island. This resplendent room is made complete by a roof lantern, which bathes it in natural light.

In addition to the open planned living area, on the ground floor, there is a lounge/bedroom 4, second reception room, with French door accessing the open planned living area, ground floor shower room and utility cupboard. On the first floor are three good sized bedrooms, contemporary family bathroom and access to the loft. The loft has been insulated to current regulations and is fully boarded.

Externally to the front is off road parking and driveway to the side, laid to tarmac, with double gates providing direct access to the south-facing garden. The garden has a sandstone patio area that abuts the rear of the property, a perfect entertainment space, complimenting raised flower beds and pathway to the garden room. The garden is fence enclosed with the remainder laid to lawn. There is also a hidden storage shed located behind the garden room. The garden room boasts its own patio area to the front, is fully double glazed and insulated, with water and electric. A very versatile space that is ideal for larger families, those working from home or those needing a hobbies room.

ENTRANCE

A traditional recessed porch. Composite front door, with obscure windows to sides, leads to

ENTRANCE HALL
