Property Description

DESCRIPTION This immaculately presented, two bedroom, two bathroom apartment is situated on the fifth floor of this popular Jewellery Quarter development. Offered with a Juliet balcony, ample storage, secure allocated parking and no upward chain.

LOCATION The property is located in the heart of Birmingham's Jewellery Quarter.

The Jewellery Quarter is a designated conservation area and proposed World Heritage Site and is already a prestigious and highly desired part of Birmingham. It is experiencing further development as some of the old factories are converted into apartments, restaurants and shops. It is only a short distance to all that Birmingham City Centre has to offer including the Colmore Business District.

The City Centre offers some of the best shopping in the country. The famous Bullring Shopping Centre is only around three quarters of a mile away and contains over 140 shops, including one of the only Selfridges department stores outside of London and the exclusive Mailbox development, which is host to a range of designer outlets including Armani and Harvey Nichols. The recently opened £150m Grand Central Shopping Centre sits directly above the new £600 million redevelopment of the now world class New Street station, including a flagship 250,000 sq. ft. John Lewis store, in addition to over 60 premium retailers and quality restaurants and cafes. The redevelopment further enhances Birmingham's retail landscape bringing a mix of unrivalled premium fashion and quality high street brands to the heart of the city.
