The Property

Upon entering the entrance hallway, doors lead off to the front lounge, which is currently being used as a bedroom, and to the separate dining room located behind with potential to create one large room if desired. From the dining room there is access initially in to the kitchen with a door leading outside and this is currently partly divided from the utility to the rear, which overlooks the garden and there is the potential to create a larger all in one kitchen. On the first floor there are three bedrooms to include a good size light, airy and bright master bedroom to the front, a further double bedroom to the middle and a third single room. A generous size shower room then completes the accommodation.

The front garden area is currently divided with the first part offering off road parking. A gate then leads into the next section which is mainly laid to lawn with a small stone built rockery, a pathway leading to the front door and additional off road parking could be made here. The low maintenance sunny southerly aspect rear garden is a particular feature and is enclosed with a combination of brick walling and panelled fencing. The house occupies a popular and convenient location a short walk away from Longfleet Combined School, Oakdale Middle School and Poole High School. There is a Co-op food store and other amenities close by and the Dolphin Shopping Centre, Poole Park, main bus/coach terminal and a main line London railway station are all a short walk away.

Total area: approx. 86.5 sq. metres (931.3 sq. feet)
