The bright and airy lounge/dining room has a media unit with electric fire and feature bay window. From here, one leads into the excellent well fitted kitchen with a range of appliances, including a recently installed Glow Worm combi gas boiler.

The master bedroom can be found at the front of the property and has direct access out to the garden. There is a large built-in walk-in wardrobe which was formerly the en-suite shower room. Bedroom 2 is a good size double room with quality built-in wardrobes. There is a well appointed fully tiled bathroom including heated towel rail.

Externally, the property benefits from an area of private garden which is south facing terrace which includes a small overhang from the building and is screened by laurel hedging. There is one allocated parking space.
