Springfield Lodge Back Street, Langtoft, YO25 3TD

Being only one of two similar properties, this is a very rare opportunity to purchase a real 'statement' home of contemporary design nestling within the popular village of Langtoft, surrounded by open countryside.

The brand new home is on the cusp of completion, allowing the buyers to have input into the final finish from the developers range of fixtures and fittings or, customise to their own specification (further costs will apply)

The contemporary designed home features open plan living which is literally flooded with natural light from various sources including full length windows and multiple velux style windows. The versatile layout includes living room with feature solid fuel stove, dedicated dining area and comprehensively fitted kitchen with planned central island, plus useful ground floor bedroom with en suite.

A high technical specification includes 'zoned' heating, media points including Cat 5 and TV cabling, audio speakers and electrical points with USB points integrated, electric light fittings etc.

The first floor also includes two bedrooms and house bathroom plus large cupboard with access to eaves storage.

LANGTOFT

Entering the village down Tye Howe Hill, the road twists and turns through the narrow main street of this traditional Yorkshire Wolds Village. Here the village is dedicated to St. Peter. Langtoft has an outdoor bowling green near to which is a memorial dedicated to one of England's oldest poets, Peter de Langtoft, born in the village in the 13th Century.
