A storm porch welcomes you to the home and the entrance hallway (with useful storage cupboard) provides access to the sitting room with parquet flooring and dual fuel burner set within an attractive Bath stone fire surround.

A door to the rear leads through to a second sitting room/ dining room. The dining area (with exposed floorboards) enjoys views of the rear garden via sliding patio doors. Adjacent to the dining room is the kitchen with integrated Bosch Induction hob and integrated wall

Ample storage is provided by a good array of cupboards and drawers (solid Oak, shaker style) and finished with an attractive Quartz worksurface. The pantry (with air brick) provides very useful additional storage space and for added convenience there is a second utility sink.

The shower room completes the ground floor accommodation and is comprised of a shower cubicle with mixer hose, handbasin, toilet and heated towel rail.

Ascending the stairs to the first floor, the main bedroom is to the front of the property

(presently used as a twin room) and contains the airing cupboard.

The second bedroom (a double) enjoys dual aspects to the front and rear gardens. Bedroom 3 to the rear, is a double, bedrooms 4 and 5 are both single rooms and both have the benefit of built in wardrobes. Bedroom 5 is presently used as a work from home study.

Further storage is provided by a cupboard located on the landing. The family bathroom completes the internal accommodation and comprises a bath with shower mixer hose and accompanying shower screen, a pedestal handbasin, toilet and dual fuel heated towel rail (running off both the heating system and in summer months independently via electric).

Outside

To the front of the property there is ample off road parking for several vehicles. The driveway provides access to the single garage, with up and over door to the front and side door to the rear. The garage has power and light supplied.

To the front of the garage there is a charging point for electric vehicles. A gate to the side provides access to the rear garden.

The hedging to the front garden provides privacy and the garden itself is laid to lawn with mature beds, borders, trees (including Mulberry, Plum & Crab-apple) and shrubs.

The secluded rear garden offers a patio with pergola adjacent to the dining room. The garden is beautifully presented with mature

planting including Cherry, Pear & Plum trees. The shed to the rear of the garden and the lean-to style greenhouse will remain with the property once sold.
