The Chestnut by G P Atkin Homes Ltd

'The Chestnut' is a very popular two-bedroom home, which appeals to buyers of all types and ages, offering well proportioned accommodation arranged over two floors.

The ground floor features a modern, light and airy lounge with quarter turn staircase leading off to the first floor and front facing window. The rear part of the house offers a well fitted kitchen area which also provides ample space for dining.

The kitchen itself includes a range of integrated appliances and buyers are invited to choose their own finish, from the builders range. French doors lead out onto a rear patio which gives way to a garden which is turfed.

There is off street parking with some plots having a drive to the side and others having allocated parking spaces.

For over 60 years the Atkin family have been building quality homes in East Yorkshire, using unrivalled skills of local craftsmen to create houses which are the hallmark of distinction.

All materials used in construction are sensitively chosen not only for their strength, durability and insulating properties but for their quality and appearance.

All properties are built to advanced specifications providing modern, spacious and luxurious living, seldom matched in today's new home market, while thermal efficiency makes them comfortable to live in, economical to run and enjoy the confidence of a NHBC 10 Year Build mark Warranty.

Building luxury homes, suitable to all budgets. GP Atkin Homes is committed to maintaining a friendly and efficient customer service. The developers own experienced customer support staff are on hand to provide guidance and expert advice before, during and after the sales process.
