Under the current plans the barn when converted will comprise 2 single storey 2 bedroom properties and 3 two storey 3 bedroom properties.

The barn enjoys a rural location down a long track off of the B4011 between Blackthorn and Brill. Brill itself is 2.1 miles, Arncott 1 mile, and Piddington 1 mile.

We offer the barn with circa 2 acres (0.40 ha) of level land which will form garden and paddock. The view from the site is countryside and a distant tree line and there is one nearby neighbouring property to the south. The existing structure is steel framed with part blockwork and steel sheeting walls beneath a fibre cement roof and it has a footprint of 373 square metres (4000 sq ft)

Access to the barn is via a long track which is owned by the neighbouring property with full access rights granted. The users of the track jointly maintain it.

#### **SERVICES**

The owners have received estimated costs of circa £5,000 for mains water to be connected and circa £36,000 for phase three electricity to be connected although interested parties will have to make their own enquiries.

#### **VIEWING**

The site is secure and appointments are strictly through W Humphries Ltd by prior arrangement.

#### **LOCATION**

Brill is a compound of two words, the first part being Celtic for hill and the second part (hyll) being old English.

The village sits on a hill and has commanding views over Buckinghamshire and Oxfordshire and is set in an area of outstanding natural beauty. There is a

pretty High Street and a village green with a seventeenth century windmill that is one of the most photographed windmills in the country.

Brill has a colourful history and it is thought that the Saxon kings had a palace there that was a favourite residence of Edward the Confessor. During the Civil War King Charles established a garrison at Brill, which was unsuccessfully attacked by the Parliamentarians, led by Hampden the famous patriot.

There are a number of clubs and groups in the village including scouts, cricket and football teams, a branch of the W.I, and lots of activities in the Memorial Hall. For day to needs Brill has two convenience stores and a post office, an award winning butcher, and there are also two well regarded pub/restaurants.

Thame approximately 8 miles and Bicester approximately 8 miles provide rail services to London, the Haddenham & Thames parkway fast train arriving in Marylebone in approx. 36 minutes and from Bicester around 50 minutes. The M40 (J7) is about 9 miles.
