The entrance hall leads into the heart of the home, which is undoubtedly the stunning kitchen/dining room, equipped with AEG integrated appliances including a 4-ring induction hob, full-height fridge, full-height freezer, dishwasher and double oven, as well as an integrated tumble dryer and washing machine, NEFF extractor and 1.5 stainless steel sink. Granite worktops and splash backs coupled with extensive wall and base units provide both style and functionality. Enjoy your morning coffee whilst marvelling at the stunning views from the dining table or by stepping through the impressive 3-way patio doors out on to the balcony overlooking the garden and the Lyth Valley.

The spacious living room is a haven of relaxation, featuring a wood-burning stove set on a slate hearth. With a further set of impressive patio doors opening on to a raised terrace and enjoying even more impressive views, it's the perfect spot to unwind and watch the sunset over the fells.

Bedroom one is a generous double featuring built-in mirrored wardrobes and a large en-suite four-piece bathroom with a corner bath, walk-in shower, WC, vanity washbasin, and a heated towel rail.

Bedroom two is an equally spacious double providing access to a further room, which currently serves as a study but could easily be reconfigured into a third bedroom. Both rooms benefit from access to a four-piece Jack and Jill bathroom boasting a panelled bath, walk-in shower, WC, vanity washbasin, and a heated towel rail.

The property also benefits from a part-boarded loft, with built-in ladder access and light to provide additional storage space.

There are two driveways, both enclosed by limestone walls and attractive flower borders and providing ample parking for up to four vehicles. There's also a charging point for electric cars and gated access to the rear from both driveways.

On the east side of the house you'll find a boot room with a WC, washbasin, shower and storage, alongside a potting shed leading to a patio seating area.

The rear of the house provides access to an undercroft complete with power and light offering ample storage whilst also housing the boiler.

The garden is a wonderful sanctuary with idyllic areas to explore - a haven for wildlife. Stroll past two charming ponds to reveal multiple seating areas, a greenhouse and a fire pit.

A slate path leads to a stylish, professionally constructed log cabin, which currently serves as a gym but could easily be converted into a sauna/barbecue hut.

Stone steps lead back to a lawned area sitting in front of a large formal patio wrapped around the rear and west side of the house, which is an ideal spot for entertaining. Beyond that you'll find a log store and bicycle shed equipped with power and light.

This property truly offers a serene lifestyle amidst beautiful natural surroundings.
